

Governors' Allowances Policy

Statement of intent

At Little Sutton Primary School, we are dedicated to good practice and ensuring equality through school processes.

The School Governance (Roles, Procedures and Allowances) (England) Regulations 2013 (as amended) allow governing boards of maintained schools, who have a delegated budget, to decide whether they wish to reimburse governors and associate members of the governing board, for any expenses they have incurred when serving as a governor.

The governing board of Little Sutton Primary School is acutely aware of budget constraints and is, therefore, proud to volunteer its services free of charge to the school. As such, all governors have agreed to waive their right to reimbursement of expenses incurred in the course of their duties as governor.

Approved by the full governing body of Little Sutton Primary School 3 July 2019

To be reviewed May 2021
