

## Year 2 Homework

Out: Wednesday 13th June

Due for: Wednesday 20<sup>th</sup> June

This week the homework activity is to reinforce the times tables

Please learn spellings that are in your child's book and on the website, click Spell Anywhere link.

Class times table for test on Monday 18<sup>th</sup> June, using a combination of 2, 3, 5 and 10 times table facts multiplying and dividing.

Reading 3 times at home, please fill in the yellow reading diary. As always, the home reading books and challenge books are available for the children to swap any day.

Please can we ask that you check your child's cardigan or jumper is named as we are having quite a few pieces of lost property left behind the classrooms with the warmer weather. We would also really appreciate if you could review thorough hand washing to help us beat any rise in tummy bugs during the warmer weather.

Many thanks for you continued support.

Kind regards

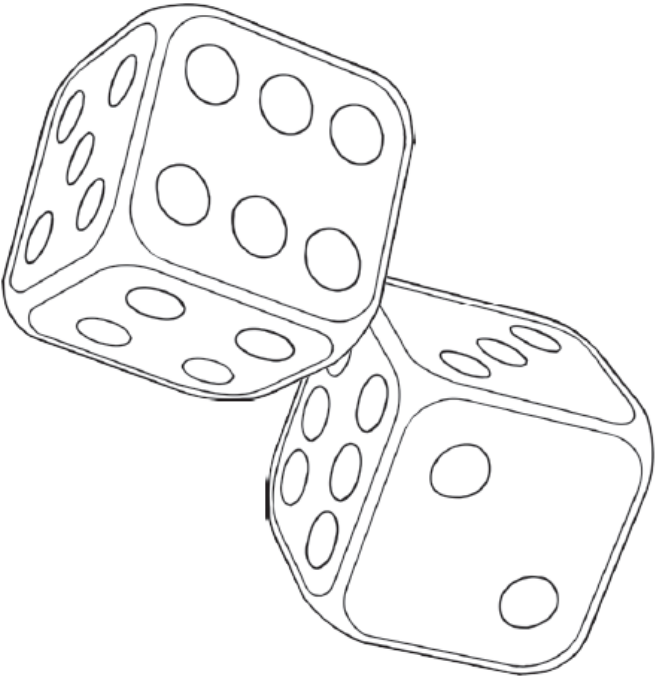

Mrs Hawkes and Mr Williams

Homework due Wednesday 20th June 2018

# Multiplication Dice Game

**How to play:**

1. Roll the dice.
2. Multiply your two numbers.
3. Colour your answer in on the grid.
4. The first person to colour four in a row wins!

<b>18</b>	<b>12</b>	<b>24</b>	<b>8</b>	<b>10</b>	<b>24</b>	<b>6</b>	<b>15</b>
