

These days

I know we're moving somewhere new
Hope life is beautiful
You were the light for me to find my truth
I just wanna say, thank you

Leaving to find my school
I know I have to go
And I know it ain't pretty
When our hearts feel sad
Too young to feel this old
Watch us go and be bold

But I know it ain't pretty
When our hearts feel sad
Yeah, I know it ain't pretty
When our hearts feel sad

I hope someday
We'll sit down together
And laugh with each other
About these days, these days
All our troubles
We'll lay to rest
And we'll wish we could come back to
these days, these days

Seven years of ups and downs
So much to show for it now
And I know it ain't pretty when the time comes
to go
Calling on all our friends, remembering all
we've done
But I know it ain't pretty when we're trying to
move on, yeah

I hope someday
We'll sit down together
And laugh with each other
About these days, these days
All our troubles
We'll lay to rest
And we'll wish we could come back to
these days, these days

Never Forget

And we've come so far
And we've reached so high`
And we've looked each day and night in the
eye
And we're still so young and we hope for more.

We've come a long way but we're not too sure
where we'll go.
We've had success, we've had good times
But remember this.
Beeeee on this path of life for quite long
And we've played a thousand games.
Sometimes strolled hand in hand with friends
Everybody's been there.
The unknown on our minds
We will stand on the line of hope.
We know we can make it.
Once we knew the boundaries
Of what was expected of us
Nothing was too hard.
Just then we realised what stars we could be
You just have to be you, I just have to be me.
Finding a place for us wasn't easy but still
There's a road carries on the other side of this
hill.

Never
Forget where you've come from
Never
Pretend that life's not real
Someday, soon this will all be someone else's
dream,
This will be someone else's dream.

Safe from the arms of disappointment for so
long
Feel each day we've come so far
Yet each day seems to give much more
Sure is good to be here.
I understand the meaning of "I can't explain
this feeling" now
And it feels so unreal
Can't believe we've got to move on and
say goodbye to what we have known.
The fact of reality.

Never
Forget where you've come from
Never
Live life like it's not real
Someday
Soon this will all be someone else's dream
This will be someone else's dream.
Never! (repeat chorus)

The Greatest Show

Don't fight it, it's coming for you, running at ya
It's only this moment, don't care what comes after
Your fever dream, can't you see it getting closer
Just surrender 'cause you feel the feeling taking over
It's fire, it's freedom, it's flooding open
It's a preacher in the pulpit and you'll find devotion
There's something breaking at the brick of every wall
It's holding all that you know, so tell me do you wanna go?

[ENSEMBLE & *P.T. BARNUM*]

Where it's covered in all the colored lights
Where the runaways are running the night
Impossible comes true, it's taking over you
Oh, this is the greatest show
We light it up, we won't come down
And the sun can't stop us now
Watching it come true, it's taking over you
Oh, this is the greatest show
