

Year 4 independent project

This year, we will be completing the Year 4 independent project this term. For the next eight weeks you will be having a weekly task to complete for your project and this will take the place of your literacy homework. The projects will be about a UK river or mountain (linking to our geography topic) and each week we will tell you what you need to do that week for your homework. You will need to do the work in the project book you have been given and you will need to hand in what you have done on Mondays. We look forward to reading your projects!

WEEK 1 (8/10/18) Location

1. Pick ONE UK river OR mountain from the following lists:

Rivers:

River Severn, River Thames, River Trent, River Severn, River Wye, River Tay, River Clyde, River Spey, River Bann, River Foyle.

Mountains:

Scafell Pike, Helvellyn, Skiddaw, Ben Nevis, Snowdon, Carnedd Llewelyn, Pen Y Fan Carn Eige, Sgurr Alasdair, Carrauntoohil, Brandon Mountain, Slieve Donard

2. Leave a few pages blank (for your contents and introduction that you will do another time).

3. Write on the third page... LOCATION. Underneath, write down the name of your river/ mountain. Write some sentences about the location of your river/ mountain in the UK and include a map (this can be printed or hand drawn).

This needs to be shown to your teacher on 15/10/18
