

We are greatly saddened to hear the news of her Majesty Queen Elizabeth II's passing. Our thoughts are with the Royal family at this difficult time. Today we held a special assembly to commemorate her life and give thanks for her years of devoted service to our country. This was followed by a 2-minute silence. Queen Elizabeth was a much loved and respected sovereign and we were pleased to have the opportunity to celebrate her 70-year reign, this year. She was a remarkable lady and an inspiration with her hard work and resilience. May she rest in peace.

Mrs Davis MBE
